

</RICHMOND HEIGHTS CODING & MENTORING PROGRAM>

</About>

Big Brothers Big Sisters of Greater Cleveland & United Black Fund have partnered with the Richmond Heights School District to provide and teach a school-based computer coding program to students at Richmond Heights Elementary School while being supported by a professional mentor in a group mentoring setting. The program serves youth in the 5th grade – 12th grade.

Session Times: Mondays, Tuesdays and Thursdays for 5th, 6th and 7th - 12th 3:30 - 5:00pm
Fridays 7th - 12th at 3:30 – 5:00pm

Testimonies from past Coding students:

"What I liked the most about working with my mentor was how I got to learn about them and how we got to use projects as a way to connect with them." (8th Grader)

"Code.org helped me learn about computers and how to use them." (5th Grader)

"Some of the coding games are hard and some are easy. Code.org really challenges your mind on making decisions that work out great. So it's a great site." (7th Grader)
